# ASSEMBLY INSTRUCTION

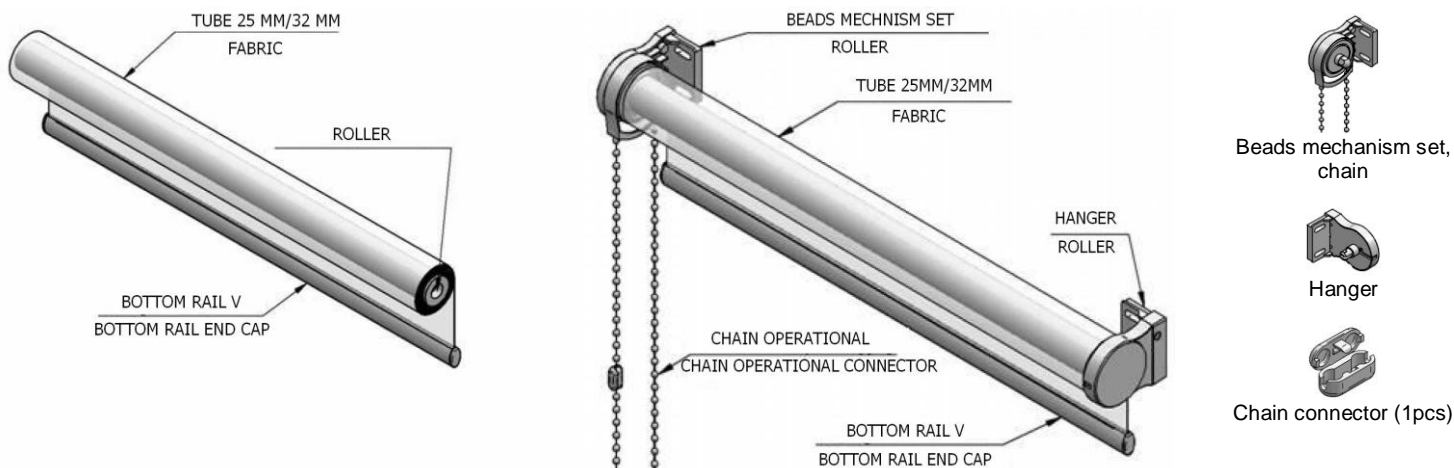

ROLLER BLIND

## PRESTO

Vertex S.A.

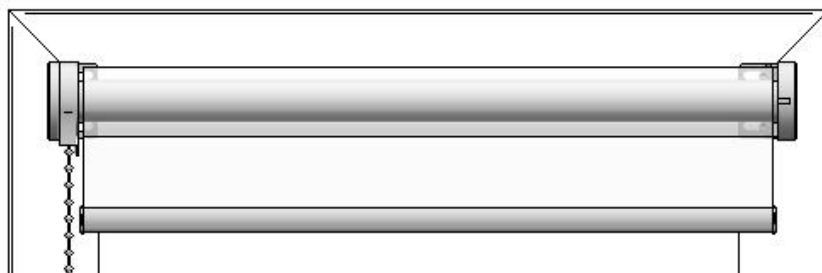

### Components:

### Assembly:

#### Assembly on window:

1. Blind is equipped with tube 25mm or 32mm. It depends from the blind width.
2. Place the blind on the window in the correct place (pic 1),
3. Level the blind – **NOTICE: wrong level of the blind could cause problems with closing the blind fabric**
4. Mark on the window places for the screws, mount hangers to the window with screws (pic 2) – screws are not included
5. Clip the mini chain connector in a place that will prevent fabric to roll-out.

Picture 2

#### Assembly on wall:

1. Assembly is possible on wall (pic 3) or in window niche (pic 4)
2. Before assembly in window niche it is necessary to check if it's still possible to open the window after assembly
3. Mount the blind by repeating the steps in assembly on window but instead screws use wall plugs.  
- wall plugs are not included.
